

ACTIVE AND ENGAGING LUNCHTIME TRAINING

MAGNA'S ACTIVE AND ENGAGING LUNCHTIME TRAINING WILL UPSKILL THOSE WORKING AT LUNCHTIMES, GIVING THEM THE SKILLS AND CONFIDENCE TO DELIVER SAFE AND EFFECTIVE LUNCHTIME ACTIVITIES.

TRAINING OVERVIEW

This practical workshop provides individuals working in schools to support lunchtimes with the necessary understanding of the benefits of an engaging Lunchtime, Health & Safety in the Playground, updates on legislation/guidelines and effective strategies of behaviour management.

The workshop combines both practical and theory-based sessions.

The delivery of the training is practical based, therefore the importance of effective behaviour management, positive interaction, communicating with the children/other staff and how to deliver safe, fun and engaging lunchtime activities is emphasised throughout the workshop.

Participants will benefit from understanding how to organise, plan and deliver inclusive, safe, engaging and more importantly fun activities across your playground setting creating a safer environment for all.

HOW THE TRAINING IS DELIVERED AND ASSESSED

WORKSHOP TESTIMONIALS

The best workshop I have attended, An excellent workshop, being taught so many different games to play with the children will be very helpful on the playground. Having the training live at lunchtime with children was so motivating. Thank you for showing us such fantastic and easy games. please come back!

Hounslow Town Primary School

It was fantastic and has given me different ideas as to how to engage our kids and positively manage behaviour

Stanburn Primary

The lunchtime training was fantastic and has given me different ideas as how to engage kids and make our lunchtimes fun.

St Anne's Catholic Primary

Found this workshop very useful. Making more happier for the children, more fun definitely, less behaviour problems, less boring. Can we have these sessions more regularly
